How to Complete the Shipper's Letter of Instruction (SLI)

BOX DESCRIPTION INSTRUCTIONS Enter the commodity origin, either Domestic (D) or Foreign (F). Domestic - Commodities grown, produced or manufactured in the U.S. This includes previously imported goods which have been further manufactured and have been enhanced in value or changed from its original form while in the U.S. 21 Origin D or F Foreign – Commodities grown, produced or manufactured in foreign countries and have not undergone any changes to enhance value by further manufacturing in the U.S. This includes goods which have entered the U.S. and are being re-exported in the same condition as when imported. Note: Domestic and Foreign Origin commodities sharing the same Schedule B Number or HTS Code, must be listed separately. Enter a valid ten-digit Schedule B number or HTS Code for each commodity in the shipment. Search for Schedule B Schedule B Number 22 numbers at https://www.census.gov/foreign-trade/schedules/b/index.html or Call 1-800-549-0595 opt. 2 for or HTS Code assistance from a Census Commodity Specialist. Enter whole unit(s) of the Unit of Measure specified by the Schedule B Number or HTS Code. See the Schedule B 23 **Quantity Schedule B Units** listing at http://www.census.gov/foreign-trade/schedules/b/index.html. Enter the net weight in kilograms for each Schedule B Number or HTS Code. The net weight does not include the 24 Net KGS weight of pallets, barrels, crates, boxes or other packaging. Enter the gross shipping weight in kilograms for each Schedule B Number or HTS Code including the weight of all 25 **Gross KGS Shipping Weight** packaging. To convert pounds to kilograms, multiple by .4536 (Report whole units). For each Schedule B Number or HTS Code, enter the selling price or cost if not sold, including freight, insurance, Value (USD) at the Port of 26 and all other charges up to the U.S. port of export. (nearest whole dollar). Export For commodities under the jurisdiction of the Department of Commerce, enter the ECCN (Export Control Classification Number) if applicable or EAR99 if the commodity is not on the Commerce Control List. For more 27 ECCN or EAR99 information: https://www.bis.doc.gov/index.php/licensing/commerce-control-list-classification/export-controlclassification-number-eccn or call 202-482-4811. For commodities under the jurisdiction of the Department of State, enter the U.S. Munitions List (USML) Category 28 **USML Category** Number. Department of State only regulates commodities specifically designed or modified for military or defense applications. Enter one of the following for each Schedule B Number or HTS Code: Department of Commerce License Authorizations (Department of Commerce BIS Website) NLR - No License Required • Department of Commerce License Number ٠ 29 License Authorization Department of Commerce License Exception Symbol Department of State License Authorizations (Department of State DDTC Website) Department of State License Number Department of State Exemption Number (and ACM Number, if applicable) Applicable only for commodities being exported on a license issued by the Department of State, Department of Commerce or Department of Treasury. Enter the U.S. Dollar value of the commodities contained in the shipment, 30 License Value (USD) not including the cost of freight, insurance or other charges. Enter the relevant other government agency name and license number, permit number or applicable exception. Other Government Agency Examples: Department of the Treasury, Office of Foreign Assets Control (OFAC) general or specific license number, 31 Authorization Drug Enforcement Agency (DEA) permit number, or specific license number or any other export license or permit number issued by a Federal government agency. Check this box if the USPPI authorizes C.H. Robinson Worldwide, Inc. to act as forwarder and authorized agent for Authorization to File EEI in the 32 filing in the AES and export control purposes. AES The signature of the USPPI employee who is certifying the information provided on the Shipper's Letter of 33 Signature/Certification Instruction (SLI) is true and accurate. Print or type the name of the individual signing box 33. 34 Name Enter the title of the individual in box 34. 35 Title Enter date of signature. 36 Date
